Planet Fitness of Clinton, NJ COMPLETED!

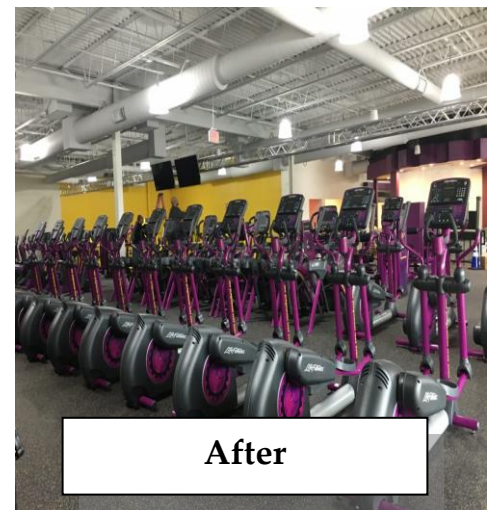

Randy Vey (owner of Planet Fitness of Flemington & Levittown) teamed up with CMGC again to create his 3rd successful, well-built fitness center. Randy has a hands-on approach and pays close attention to detail. He has a flare for what he does; it shows in the final product and sets his gyms apart from the rest.

Before

During

After

Simply put...

"Charlie was a pleasure to work with. He's honest, has great integrity, good craftsmanship and was on time with the project. Charlie made it easy."

Randy Vey, Owner
